LANGUAGE

- English
- Germany (basic)

SKILLS

- HTML
- CSS (SCSS, Tailwind, Material-Ui)
- JavaScript (Jquery, React, Next.js, Node.js, Express.js, Astro, Alpine.js, TypeScript)
- DB (SQLite, Firebase, MongoDB, Postgresql)
- GraphQL
- CMS (Strapi, Medusa.js, Payload)

EXPERIENCE

Front-end Developer – CatoriTech

01/04/2024 - 01/06/2026

- Developed and maintained large-scale casino and sportsbook platforms using Next.js, React, TypeScript and REST APIs.
- Built a reusable component-driven CMS enabling non-technical teams to manage website content without developer involvement.
- Improved maintainability by standardizing reusable UI components across projects.
- Worked closely with backend and product teams to deliver production features.

Web Developer Sols

01/03/2023 - 01/03/2024

- Built scalable Next.js applications integrated with Strapi CMS and GraphQL APIs.
- Developed custom APIs and optimized client-side data fetching using SWR.
- Worked with Medusa.js e-commerce platform.

Front-end Developer Steets

01/03/2022 - 01/03/2023

- Built responsive interfaces using Next.js, TypeScript, Tailwind CSS and Storybook.
- Worked with a PHP CMS to deliver dynamic content-driven websites.

Mentor Seavus / Qinshift / Avenga

01/11/2022 - Present

- Taught HTML, CSS and JavaScript to aspiring developers.
- Mentored students through real-world frontend projects and best practices.

Selected Projects

- Designed and built a complete football tournament platform featuring automatic fixtures, live standings, knockout stages, scout tools, administration panel, and responsive public website.
- Hotel Booking Platform
- Built a complete hotel booking solution with reservation management, SEO optimization, and modern user experience.
- Enterprise Casino CMS (NDA)
- Developed a reusable CMS architecture allowing marketing teams to build and manage pages through configurable components instead of code.

EDUCATION

Seavus Academy – Web Development (2021-2022)

Semos Education Center – MERN Stack (2021)

University St. Kliment Ohridski – Tourism & Hospitality Management
